ATTENDANCE INFORMATION

A parent must log in their child on the computer when **dropping off their child(ren) and picking them up.** This enables us to have contact with parents as well as provides us with more accurate records. The Latchkey Program assumes responsibility for children **registered to attend.** **The program must be notified when your child will be absent for any reason (email is best).** **No child should be picked up later than 6:00 p.m.** We understand that conditions are sometimes beyond the control of the parent (inclement weather, accidents, etc.). If these conditions arise, it is imperative that you notify the staff as soon as possible. **Child(ren) may not arrive at Latchkey before 6:30 a.m.** Your child(ren) would be unsupervised and unable to get help if needed.

FEE STRUCTURE

Latchkey fees are based on full-time or part-time enrollment. Full-time enrollment (\$3.00/hr.) is for students attending at least 4 days a week. Families will be charged for hours not attended if this minimum is not met each week. **Upon registering your child for Latchkey a schedule must be entered. To make it easier on full-time families, an auto scheduler is enabled to auto generate that schedule for the year. Changes to your child's schedule must be made BEFORE Saturday at 12:00 am. A phone call will be made to families that are scheduled but do not attend each day.** Part-time enrollment (\$3.50/hr.) is for students attending less than 4 days per week. Latchkey bills can now be paid with a credit/debit card, as well as cash or check. A convenience fee of 5% will be applied to your next months invoice when paying with a credit/debit card. **Invoices will be mailed out every two weeks with alternate Fridays as the cut-off date.**

Your bill must be paid within 10 days of receipt of statement.

If you have questions in regards to your account balance, call Angie Dahlen at

POLICY GUIDE

PROGRAM PURPOSE

The primary purpose of the Latchkey Program is to provide high quality after school care for children. Within this framework, the program seeks to provide an educational, recreational, and social environment conducive to learning and development with a minimum of formal structure.

To fit the developmental requirements, cultural background and characteristics of each child, Latchkey makes provisions and plans for a caring, compassionate, and challenging environment, positive group experiences, curriculum and behavioral expectations, freedom for individual choice, and a program that helps meet the health, safety and nutritional needs of each child.

ENROLLMENT

Children served in the program during the school year must be enrolled in elementary school (Grades K-5). *Should accommodations be needed for your child an interview with the Latchkey Coordinator and the Community Education Director will be arranged to insure that Latchkey is the appropriate environment for your child.* PLEASE inform staff of any changes in procedures. All forms (registration, release, emergency, etc.) must be returned to the Community Education Office **2 days BEFORE** a child can attend.

RELEASE OF CHILDREN

Upon registration the name or names of the persons authorized to pick up a child or children must be clearly written on the registration form. If anyone other than the authorized person/s will be picking up a child, the Program Coordinator must be notified. We **WILL NOT** release children to persons who are not listed on the registration forms as “authorized to pick up child”. It is your responsibility to let us know in advance if someone other than those listed on the registration form will be picking up your child/children.

MEALS AND SNACKS

Morning: Latchkey participants may stay for a free breakfast through the school meal program. The breakfast is served from 8:00 a.m. - 8:25 a.m.

Afternoon: A nutritious snack is available to children. The cost of this snack is included in the cost of the program. Should a child wish to share treats with the children in the program, please be aware that it is required by State law that all treats be individually wrapped and not homemade. Items not meeting these specifications will not be distributed.

All Day-No School Days: Breakfast will not be served on these days. All children are also asked to bring a sack lunch to school on no school days. A beverage will be served with the noon lunch and an afternoon snack will be provided. ***Please do not send pop and candy to school with your child on these no school days.***

POLICIES CONCERNING SICK CHILDREN

A registration and emergency file will be kept for each child. Staff will notify parents by phone if any symptoms of an impending illness (headaches, fever, vomiting, cramps) occur. Parents will be expected to pick up a child who appears to be ill. Your child/children should experience a 24-hour time period that is free of symptoms before they may return to the program. Parents will be called in the event of a child requiring emergency care. If parents are unavailable, persons indicated on the emergency card will be notified. In the event that none of the emergency contacts can be reached and it is an emergency situation, the child will be taken to the Sanford Clinic or Medical Center.

MEDICATION POLICY

When a child is to be given oral or surface medication, written instructions by the physician or dentist must be provided. Written authorization to administer the medication must also be given by a parent (see attached form). Medication must be labeled and stored out of the reach of the children.

PERSONAL BELONGINGS

Children should be dressed adequately for both inside and outside activities. The children will have a place in which to keep belongings. **Do not send toys, games, or electronics to Latchkey with your child as these items may get lost or damaged.**
