Fall Kick Off
Vol. 3
September 12, 2016

What a great summer we had. Our 2016 Pinewood Derby was a great success. We had 24 cars racing. Winners took home prizes from local businesses like Seven Clans Casino, Falls Cinema, Taco John's, Polar Investment Counsel, Franklin Middle School Pool, Prowler Tennis Academy, and more. Woodies Towing and Rehab Authority along with North Fit hosted fundraisers in our honor bringing in over \$1400 in donations this summer. We are gearing up for school starting. We're hoping to attract more students to become little's as we have 5 women waiting to be matched. We're hoping to gain some more adult males to fill our need for male mentors and COPS (Caring On Patrol for Students) is getting it's second start. The police officers made a huge impact on their students this last year and we are so excited to see where the program goes this year.

UPCOMING EVENTS

Saturday October 15, 2016 is our first ever LBLS Fundraiser Dodgeball Tournament. Team entry fee of \$150, and team sizes vary from 6-10 players.
