Thank you for your interest in becoming an adult mentor for Little Brother Little Sister of Pennington County. Being a mentor is one of the most valuable ways to invest in the youth of our community. Little Brother Little Sister of Pennington County (LBLS) has four main goals:

- To value and support our youth
- Prevent juvenile crime
- Increase school success
- Decrease juvenile depression

By choosing to work one-on-one with a Little you are not only going to positively impact your Little's life, but you will also have a positive impact on our community, and for that we cannot thank you enough. To begin the application process you will need to fill out an application, submit three references, and complete a background check. Once that is all completed and you are approved we can set up a time to have an interview.

If you have any questions throughout this process feel free to contact the coordinator, Melora Bergee. You can reach her at 218-689-9471 or by e-mail: lbls.pennington@gmail.com

As Margaret Mead once said, "Never doubt that a small group of thoughtful, committed citizen can change the world. Indeed, is it the only thing that ever has." Again thank you for your interest, we look forward to working with you.
